Dated: 1st June, 2021

Order

Whereas, MHA has relaxed the supply of oxygen to certain categories of industries vide OM No. 40-6/2020-DM-I9A)/Pt (2) dated 31.05.2021 to allow usage of liquid oxygen on temporary basis subject to ensuring adequate supply of liquid medical oxygen to hospitals and other medical purposes as per demands of States / UTs.

Whereas, it is felt necessary to specify the quantity of oxygen to be supplied to these categories of industries as follows:-

- (i) Continuous process industries/ plants such as furnaces, refineries, steel, aluminium, copper processing plants etc. which require continuous power supply.
- (ii) All infrastructure projects and plants
- (iii) All MSMEs
- (iv) All exporters
- (v) All Food Processing Units

Therefore, it is hereby directed that the manufacturers and suppliers of oxygen, may supply liquid oxygen up to the quantities specified in the annexure to this OM to the categories of the industries listed above.

Further, supply to industries working for pharmaceuticals, ampules, vials, neutral tubing, manufacturing of oxygen cylinders and PSA plants, defence forces, and medical equipment's, for which supply was restored earlier, will continue to get the oxygen as per their requirement.

State governments and oxygen manufacturers and suppliers are advised to comply with these instructions with immediate effect.

This issues with the approval of Secretary, MoRTH, DPIIT and Chairman EG-4.

(Sushil K. Satpute)
Director
